

# ASHS - Association of Scottish Hardwood Sawmillers

## Suppliers of Scottish Hardwoods

Through ASHS, you can find your local supplier of Scottish hardwood - sawn timber planking, wooden floors, beams, cladding and structural timbers, bespoke kitchens, hand made furniture, and more.

## Providing On Line Information

Through ASHS, you can access on-line information about Scotlands native hardwood trees and timber as well as information on the products that ASHS members supply plus technical notes to assist in specification.

## Bringing People Together

Through ASHS you can link up with other people who appreciate and are inspired by Scotlands native hardwoods and support the creation of new woodlands as well as the sustainable and productive management of Scotlands existing forest resource.
